Research & Development Committee

The College has constituted Research Committee to monitor and address issues related to research. The research committee consists of highly qualified, motivated and talented minds who have embarked on frontier careers in research and development in varied areas.

Functions and Responsibilities

- To motivate the faculty and student for research and to develop research culture in the institute.
- To encourage the faculty to pursue the Ph. D.
- Identify prioritized research areas based on the expertise available with the college.
- To organize the workshop, conference, faculty development program, seminar and expert lecture.
- Organize visits by eminent researchers to interact with the faculty and students.
- To motivate the faculty and students to publish/present research papers in journals and conferences.
- Encourage to write and forward research proposals for financial support to different funding agencies and announce incentives once the project is sanctioned.
- To review and monitor quality of research of candidates registered for Ph.D.

Constitution of Committee

- Principal of the College is Chairperson of Committee
- Two head of departments, to be nominated by the Principal
- At least one domain expert for each research centre nominated by the Principal
- One Senior Faculty of the college - Member Secretary
