This is to certify that **Trinity College of Engineering and Technology**, Peddapalli–505172, actively implements the **Startup Policy**.

**Key initiatives undertaken under the Startup Policy include:**

1. **Establishment of Incubation and Innovation Facilities** – Providing access to **FABLAB, Innovation Labs, and IPR Cell** to support idea generation, prototyping, and entrepreneurial projects.
2. **Mentoring and Guidance** – Faculty and industry mentors guide students in **startup ideation, business plan development, and technology validation**.
3. **Workshops and Skill Development** – Conducting workshops, webinars, and bootcamps on entrepreneurship, startup funding, and business management.
4. **Collaboration and Networking** – Facilitating connections with **industry partners, investors, government agencies, and startup ecosystems** for knowledge sharing and funding support.
5. **Support for Registration and Funding** – Assisting students and faculty in **startup registration, government schemes, and funding applications**, including incubator and seed funding support.

Through these initiatives, the institution fosters **entrepreneurial mindset, innovation-driven learning, and job creation**.

Yours faithfully,

**Principal**
