This is to certify that **Trinity College of Engineering and Technology**, Peddapalli-505172, offers **Skill Development Courses** approved by the **All India Council for Technical Education (AICTE)** in accordance with the **AICTE norms, guidelines, and Approval Process Handbook**.

The institution has integrated various **skill-oriented and value-added courses** into its academic framework to enhance students' technical competence, employability, and industry readiness. These courses are designed and offered in alignment with **AICTE initiatives**, including outcome-based education, industry relevance, and hands-on learning.

The Skill Development Courses offered by the institution include, but are not limited to:

- AICTE-recommended **skill-based and add-on courses**
- **Industry-oriented certification programs**
- **Internship and apprenticeship-linked skill modules**
- **Emerging technology courses** such as Artificial Intelligence, Machine Learning, Data Science, Internet of Things (IoT), Cyber Security, Cloud Computing, and related domains
- **Soft skills and employability enhancement programs**, including communication skills, aptitude training, and career readiness

These courses are delivered through a combination of **classroom instruction, laboratory practice, online learning platforms (such as SWAYAM/NPTEL), workshops, and industry collaboration**. Faculty members with relevant expertise and external resource persons are engaged to ensure effective implementation.

The institution maintains proper documentation, attendance records, course outcomes, and certifications as evidence of compliance with **AICTE requirements**.

Yours faithfully,
