This is to certify that **Trinity College of Engineering and Technology**, Peddapalli–505172, actively participates in the **National Institutional Ranking Framework (NIRF)**.

Key initiatives related to NIRF participation include:

1. **Data Collection and Documentation** – Gathering accurate data regarding teaching, learning, research, infrastructure, student outcomes, and governance as per NIRF criteria.
2. **Academic and Research Excellence** – Encouraging faculty and students to engage in research publications, patents, consultancy, and innovation activities to enhance institutional ranking.
3. **Student Development and Outcomes** – Tracking student achievements, placements, higher education progression, and participation in national/international competitions.
4. **Institutional Governance and Practices** – Maintaining effective governance, academic policies, financial transparency, and student-centric initiatives to meet NIRF evaluation standards.
5. **Continuous Improvement** – Using NIRF feedback to identify areas for improvement in academic quality, infrastructure, and institutional processes.

Through active participation in NIRF, the institution **demonstrates its commitment to excellence, accountability, and best practices** in technical education.

Yours faithfully,

Principal
