This is to certify that Trinity College of Engineering and Technology, Peddapalli–505172, has implemented Examination Reforms.

Key initiatives undertaken for examination reforms include:

1. **Digital Examination Management** – Use of **Online Examination Platforms and ERP-integrated systems** for registration, scheduling, evaluation, and result publication.
2. **Continuous Assessment** – Implementation of **internal assessments, quizzes, assignments, and practical evaluations** to complement end-semester examinations.
3. **Transparent Evaluation Process** – Use of **double valuation, moderation, and re-evaluation** procedures to ensure fairness and accuracy in grading.
4. **Timely Result Declaration** – Ensuring **prompt evaluation and publication of results** to facilitate student progression, higher education, and placements.
5. **Grievance Redressal Mechanism** – Establishing a **formal process for addressing student complaints or discrepancies** related to assessments and grading.
6. **Capacity Building** – Conducting workshops and training for faculty on **modern assessment techniques, online examination tools, and evaluation best practices**.

Yours faithfully,
