This is to certify that **Trinity College of Engineering and Technology**, Peddapalli–505172, actively encourages its students to participate in **national and international competitions**, such as **Smart India Hackathon (SIH)**, **Ideathon**, **Hackathons**, **Innovation Challenges**, and **similar events**.

The institution undertakes the following initiatives to promote student participation:

1. **Awareness and Motivation** – Conducting seminars, workshops, and counseling sessions to inform students about upcoming competitions, their benefits, and eligibility criteria.
2. **Mentoring and Guidance** – Faculty coordinators guide students in project selection, idea development, and presentation skills to enhance chances of success.
3. **Skill Development Support** – Organizing training sessions, hackathons, and mini-project workshops on problem-solving, coding, prototyping, and design thinking.
4. **Resource Facilitation** – Providing access to laboratories, FABLABs, innovation labs, software tools, and other infrastructure required for project development.
5. **Team Formation and Coordination** – Assisting students in forming interdisciplinary teams, registering for competitions, and preparing prototypes or solutions for submission.
6. **Recognition and Incentives** – Recognizing student achievements through awards, certificates, and institutional support for further development and participation.

These initiatives aim to **develop innovation, creativity, entrepreneurship, and problem-solving skills** among students while promoting **AICTE's vision of student-centered learning and national-level participation**.

Yours faithfully,

**Principal**
