## Safety & Security Measures in the Campus

The Institution clearly and comprehensively follows safety norms in every aspect viz;

- Security personnel safeguard the campus in all the times and the administrative and academic corridors are covered under sufficient CCTV surveillance and lighting arrangements.
- The anti-ragging squad members, mentors and other in-charge faculty members will monitor the grounds and the corridors of all the buildings, class rooms and laboratories especially during the admissions time.
- Suitable medical assistance for students is provided since a full-time staff nurse and part time Doctor is available in the campus to meet the exigencies.
- Transport facilities will be provided immediately in case of emergency.
- Safety and security for girl students is ensured and providing all the required facilities in the institution.
- Proper lighting and security measures are ensured for students when they may after office hours.
- Counselors on campus are available during the working hours of the Institution.
- Special programs regarding women safety and health issues are organized by the Women Protection Cell.
- Separate common rest rooms are available for boys and girls.
