## Portable Water supply and outlets for drinking water at strategic locations

Regular check up and maintenance will be carried out by the Supervisors for providing fresh and filtered water to the entire Institution. Every floor has water coolers and the surroundings near the water coolers are maintained with utmost care and hygienic. The Institution has RO Plant which caters fresh and filtered water to the entire campus in appropriate outlets. All possible precautions are being taken to clean the water coolers frequently and coolers are maintained properly so as to not to get any complaint from the students and staff.
