

TRINITY

COLLEGE OF ENGINEERING AND TECHNOLOGY

(An UGC Autonomous Institution)

Bandarikunta, Peddapalli-505 172, Dist:Peddapalli.(T.G)

Approved by AICTE, Accredited by NAAC, Recognized under 2(f) of UGC

Affiliated to JNTU, Hyderabad & Affiliated to SBTET, Hyderabad.T.G..An ISO 9001:2015 Certified Institution

JNTUH COLLEGE CODE :UD

COUNSELING CODE : TCEK

SBTET COLLEGE CODE:425

SEWAGE DISPOSAL SYSTEM

The Institution has effective sewage disposal system. Sewage disposal refers to disposal of sewage that is accumulated and to dispose off in an effective manner through septic tank system which functions in the Institution. The buildings are constructed for disposing the sewage through septic system by connecting directly to the Municipality sewage lines provided by the Municipality. The sewage is properly disposed through the connected pipe lines to eliminate and to reduce hazard to the public health by possible contamination of water supplies. To render the sewage without causing any danger to the public and surrounding areas proper care has been taken to not to develop the surroundings polluted with bad sanitary conditions and every care is taken to maintain the Institution premises by connecting the sewage lines directly to the Municipal sewage lines.
