Dear All,

This is to inform that **Trinity College of Engineering and Technology, Peddapalli** has established a dedicated **platform and counseling support system**, including the **engagement of qualified counselors**, to provide **psychological counseling and mental health guidance** to **students, faculty, and non-teaching staff**.

The initiative aims to promote mental well-being, offer emotional support, and address stress-related, academic, professional, or personal challenges in a confidential and supportive environment. The counseling services are designed to help individuals seek timely guidance and maintain a healthy balance in their academic and professional lives.

All members of the institution are encouraged to make use of this facility whenever required. Details regarding the counseling platform, counselor availability, and appointment procedures will be communicated separately through official channels.

The institution is committed to fostering a supportive, inclusive, and mentally healthy campus environment.

For further information or assistance, please contact the concerned authorities.

With regards,
