Implementation of Mandatory Internship Policy for students

The Internal Quality Assurance Cell (IQAC) is implementing Mandatory Internship Policy for the students for development of career opportunities and to provide practical experience in their relevant fields of study. This policy which is mandatory for all the students. The main objective of the policy is to make use of the internship immensely by all the students so that the students as well as the organization where they are undergoing internships will be benefited mutually. Further, the Internships should expose the students to the industrial environment to gain practical knowledge to create competent professionalism in their studies.

The IQAC members enlighten the students to attend the Internships in industries which is mandatory to gain practical knowledge which are helpful to accelerate their knowledge and would be appropriate when they take up the jobs in their relevant fields.
