Dear All,

As per the **National Education Policy (NEP)**, every educational institution shall have an **inbuilt mechanism for Social and Emotional Learning (SEL)**, which is recognized as a **crucial component of holistic education**.

In accordance with these guidelines, the institution is committed to integrating Social and Emotional Learning into academic, co-curricular, and student support activities to promote emotional well-being, ethical values, life skills, and overall personality development among students.

All departments and stakeholders are instructed to support and actively participate in the effective implementation of Social and Emotional Learning initiatives as part of the institution's academic framework.

The institution reaffirms its commitment to providing quality education that nurtures both intellectual and emotional growth.

With regards,

Dr.Ganesh Mani
Principal
Trinity College of Engineering and Technology
