Dear All,

As per **AICTE guidelines**, **internship shall be made compulsory for all final-year students** of AICTE-approved institutes and universities. This initiative aims to provide students with **practical exposure, industry experience, and professional skill development**, enhancing their employability and readiness for the workplace.

All departments are instructed to:

1. Facilitate students in securing internships relevant to their field of study.
2. Monitor and document the completion of internships.
3. Ensure compliance with AICTE norms and timelines.

Students are advised to actively participate in the internship program and submit the required reports and documentation as per institutional instructions.

The institution remains committed to bridging academic learning with practical industry experience for holistic student development.

With regards,

Dr.Ganesh Mani
