Dear Students,

In compliance with **AICTE guidelines**, all AICTE-approved institutions shall **evolve a mechanism for earning academic credits through skill-based courses** offered by:

- **Skill India, Ministry of Skill Development and Entrepreneurship**, or
- **Any other recognized leading skilling platforms**

This initiative aims to:

1. **Enhance students' employability** by developing industry-relevant skills.
2. **Provide academic recognition** for completing skill-based courses.
3. Encourage **continuous learning** and practical knowledge beyond regular curriculum.

All students are instructed to:

- Register for skill-based courses on the approved platforms.
- Complete the courses and submit the **certificate of completion** to the department.
- Ensure proper documentation for **credit recognition** as per institutional guidelines.

Departments are responsible for monitoring course completion, verifying certificates, and granting credits in line with AICTE norms.

The institution encourages all students to actively participate in these skilling initiatives to strengthen their professional competencies and employability.

With regards,
