Barrier Free Built Environment for disabled and elderly persons

As per Chapter VII of the Approval Process Handbook of AICTE, the Institution has provided Barrier Free Built Environment in the campus to facilitate and enable elderly persons and students with disabilities to move about safely and freely. The following are some facilities afforded for disabled students and elder faculty in order to support independent functioning of differently abled individuals so that they can get to and participate without assistance in everyday activities.

- Lift
- Ramp
- Wheel Chair

The Floor supervisors will assist the disabled students to make use of the lift/ramp/wheel chair and provide the facility immediately whenever asked for. The Lift is operative for the elderly faculty members and disabled students.
